**WOMAN KILLED IN
CAR ACCIDENT**

Tragedy struck early Sunday morning, May 15 when a pickup truck driven by Mr. Kenneth Cocks, 32, of Drayton Valley struck a man and his wife on 50th street just north of the 50th Ave. intersection. Instantly killed was Mrs. Shirley Stevens, 18, 1 and seriously injured was her husband Mr. Allen Stevens, 25. The accident occurred at approximately 4:00 a.m.

The accident occurred at a point near the Valley Dairy, just north of the intersection and the bodies of both Mr. and Mrs. Stevens were evidently carried by the pickup about 160 feet to a point just in front of the Advertiser office where they were probably dropped from the truck and were picked up soon after the accident by Drayton Valley Ambulance and rushed to the Drayton Valley Hospital, where Mrs. Stevens was pronounced dead upon arrival. Mr. Stevens is now in the

hospital where he is said to be making satisfactory improvement after having received multiple injuries and a broken arm.

With Mr. and Mrs. Stevens in the roadway when they were hit was Mr. Clarence Koch, now living in Red Deer, who was formerly a resident of Drayton Valley. It was Mr. Koch who called the police to the scene.

An inquest has been called by Coroner Dr. Brooks. The inquest will be held at 1:00 p.m. in Elks Hall, Tuesday, May 24.

**BOXING IN
ELKS HALL**

Under the auspices of the Drayton Valley Athletic Association the Pembina Boxing Club staged a number of bouts in the Elks Community Hall on Thursday evening, May 12. Rain and mud

kept some away so attendance was not as good as it had been at previous matches. The rain and mud also delayed the group from the boxing clubs in Edmonton so the fights were late in getting started.

While the crowd waited for the bouts to arrive from Edmonton they were entertained in the ring by a very amusing show put on by the local club, in which five boys were blindfolded and put in the ring together. The five who participated in the blindfold-boxing were Wayne and Danny Thompson, Lloyd Matlock, Dennis Melzer, and Arnold Sippola. No winners were announced from the "blind-mice" exhibition but the crowd got plenty of laughs.

When the fights got underway Lou Matlock, Eldon Herbert and Bill Johansson acted as judges with John Davies as timekeeper and John Followay as announcer. Dr. Waugh examined all the young boxers before they went into the ring. Andy Andersen acted as referee for all the matches.

**STREET TELEPHONE
BOOTH INSTALLED**

Staff Photo.

Alberta Government Telephones recently installed a street telephone booth on the corner by the Hudson's Bay store, just across from the Hotel.

Making the first call from the new booth is Miss Marilyn Patterson, of McKenzies Shoe Store, while Mrs. Pat Stables, formerly employed in the Royal Bank, looks on.

The new telephone booth should garner a goodly amount of money for A.G.T., as it has already been in use quite a bit. It will be a real convenience to the public. One like it down near the hospital would be a wonderful boon to the residential section of the town.

**LIONS
PUT ON
DANCE**

In spite of inclement weather in the form of rain and its attendant evil, mud, the dance put on by the Drayton Valley Lions Club was quite well attended. Music was provided by the Valley Rhythm, and all report a very enjoyable time.

In the very near future the Lions hope to put on another dance in the same large Recreation Centre where these are room for all on the 10,000 square feet of floor.

Photo by Curt's Studio.

Establishing various points along the death route taken by the pickup, Constables Chesterman, (front) and Adams (rear) used old tires to mark the various spots. The place marked by Constable Adams at the rear of the picture is the point of impact where the bodies were hit by the vehicle.

The first tire in the picture (front) marks the place where one of Mrs. Steven's shoes was found, this is about 198 feet from the point of impact. The second tire from the front marks the spot where Mrs. Steven's body was found, about 164 feet from the point of impact, with the body of Mr. Stevens nearby. The third and fourth tire marks the place where Mr. Steven's shoes were found, nearer the point of impact.

Both the buildings in the foreground of the picture show mud that was thrown up, apparently by the pickup as it went by.

Later in the day the identification branch of the R.C.M.P., Edmonton office, barricaded off the area for a while while they took specimens of blood and paint and so on from the scene.

Helen Carrington, who has been in the business for many years, has brought back to the shop many of the old flower arrangements and types of flower arrangements.

People are finding their way to the local flower shop in increasing numbers, on the day before Mother's Day Mrs. Rohme was completely sold out in the middle of the afternoon, and local events bring an increasing number of orders for flowers.

Canadian Coachways to Serve This Area
A change in ownership has effected in the bus line serving Drayton Valley when Canadian Coachways Ltd., purchased the bus line and franchise from the Pembina Bus Lines Ltd. The deal has been pending for some time.

Mrs. Mickey Collins, Traffic Manager for Canadian Coachways was in Drayton Valley on Tuesday, May 17th the day that the changeover became effective to help keep the operations running smoothly. Mrs. Heyland will remain in the local bus depot office as agent for the lines.

The changeover in bus ownership will mean greatly expanded services in the near future. Canadian Coachways runs a bus to Beaver, down Highway 39, and has had a franchise to serve Drayton Valley from the start, over the river, for a long time. Last fall C.C. officials were in Drayton Valley surveying the route with a college chaplain, crossing the camp, met a young member of the faculty who said, "What's the matter with us here? We have an excellent location, fine equipment, high standards, a select student body." After a pause, she continued, "We seem to have everything but joy."

The Cure for Unhappiness

Taken from the Gospel Trumpet submitted by Pastor J.C. Wulff of the Drayton Valley Church of God.

This article was written by W. Dale Oldham of the Christian Brotherhood Hour.

How much unhappiness is in our troubled world today! And a great deal of it is preventable. Think of the thousands still held in concentration camps. In a truly Christian world, no such camps would be necessary.

So much of the unhappiness in the world is rooted in man's malice, selfishness, and ill will. Jesus said concerning a certain commandment, "If you know these things, happy are ye if ye do them." Knowledge alone is not enough!

Most world statesmen could point the way to peace, but they do not. They are not peace-loving because so many of them are not trustworthy. Jesus said, "If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love. These things have I spoken unto you, that my joy might remain in you, and that your joy might be full" (John 15:10-11).

CHRIST'S FIRST COMMANDMENT
If you wish to paraphrase the text you will have Jesus saying, "If you keep my commandments, your joy will be full."

Christ's first commandment is that we love one another. Failure to love brings thousands of heartaches. Yet so many people try to by-pass this commandment thinking they will find joy anywhere, but it will not be so.

In farm country near Midland, Michigan, heavily armed officers surrounded a house, hoping to capture an elderly man wanted on a murder charge. For two hours they bombarded the place, firing tear gas bombs to drive him out.

Finally completely surrounding the house, they all charged at once. Then they learned over the police radio that this wanted farmer had surrendered to the county sheriff twelve miles away. They were being stormed an empty house!

If we would just take time to think, we would come much nearer to winning the battle of life. Too often we storm enemy houses and fight battles that have already been lost.

Joy lies happiness, is an indirect result rather than the object of a direct pursuit. Seek joy, and you will not find it. Seek first the kingdom of God and his right possession, and all these things, you will find joy.

EVERYTHING BUT JOY
A college chaplain, crossing the campus, met a young member of the faculty who said, "What's the matter with us here? We have an excellent location, fine equipment, high standards, a select student body." After a pause, she continued, "We seem to have everything but joy."

UNITED CHURCH NEWS

How can real joy be found? Only in Christ. Go to him in full surrender of sin and self. Make a full sweep of it, and the results will be most satisfying.

You cannot go most of the way and find joy. You must go all the way with Christ. He will not share the throne of your heart with self or things or with ambitions which are at variance with his will. Give up, surrender, and let go in favor of God. Only then will you find forgiveness. Peace and joy will naturally follow.

You must co-operate with Christ in removing the basic reasons for your lack of happiness. Think for a moment, and you will know what these are. Christ can change your desires if you ask him to do so.

GOD GAVE THE SONG.
One of my golden memories is of a day thirty-six years ago when the famed Scott, Sir Harry Landers, sang in Detroit. I can never forget him nor how he sang. "To him in the Gloom."

There is a story to the effect that one night in Chicago Sir Harry sang a song of such tenderness and feeling that the audience was left spellbound. He had sung as if possessed by a dream.

After the fifth curtain call, Sir Harry paused for a moment and signalled for the applause to cease. Then with silence around him, he said quietly and reverently, "Diana thank me! Thank the good God that put the song in my heart!"

That's the secret of joy! So live that God can put a song in your heart. So live that your very spirit is in tune with the Infinite God. For only in God and his service will you discover the fountain from which real joy flows. Have you found that?

Vanderleest-van Uden Wedding

Photo by Curt's Studio.

Mr. and Mrs. Toni Vanderleest.

In St. Anthony's Catholic Church on Saturday morning at 10:30, Miss Elizabeth van Uden became the bride of Mr. Toni Vanderleest. The marriage ceremony was performed in Dutch, with the Rev. Fr. Brindama of Entwistle reading the double-ring marriage rites.

The bride was dressed in full length lace gown, with a silk panel, bordered with sequins. On her head the lovely bride wore pearl trimmed wedding tiara, holding a shoulder length veil in place. She wore a pearl necklace, and the flowers she carried were Stephanolias. Miss Joan Vanderleest, sister to the groom, was bridesmaid. She was dressed in turquoise gown and jacket; her bouquet was pale yellow gladioli.

Best man was Leo Vanderleest, brother to the groom. Don McClelland served as usher for the occasion.

Out of town guests included friends from Kipp, Alberta, friends and relatives from Lodgepole, and from Lethbridge, a sister of the groom, Mrs. Biermans, and her husband and Mr. and Mrs. Kester, sister to the groom from Vauxhall.

Mr. Vanderleest's sister, Wilma Vanderleest, returned from Montreal and Toronto for last brother's wedding. Miss Vanderleest expects to remain in Drayton Valley.

At the reception held in the Scout Hall following the ceremony, the toast to the bride was given by Mr. A. MacSall, of

Drayton Valley. Dancing was enjoyed by the wedding guests following the luncheon.

Mr. and Mrs. Vanderleest will return to Drayton Valley after their honeymoon. Mr. Vanderleest is employed with an oil company here.

PRE-SCHOOL DENTAL CLINIC

A preventive dental health program for pre-school age children will go into effect in Alberta in 1960. The plan, first of its kind in North America, provides for travelling dental clinics to be attached gradually to the province's 23 health units. Incidentally the clinics will be organized in areas where the need for dental care is greatest.

The overall program also provides for the training of a new group of health personnel. Commencing with the 1960 fall term, the University of Alberta Faculty of Dentistry will offer a two-year course to train young men and women as Registered Dental Auxiliaries. The course to train young men and women as Registered Dental Auxiliaries. The course will be open to high school graduates. Upon graduation they will be qualified to assist dentists in preventive den-

tal care programs carried out in the various health units of Alberta.

The Alberta Dental Association is co-operating with the Alberta Department of Public Health and the University of Alberta in the operation of the plan. Members of the association have agreed to spend a two-week period each

year at one of the portable clinics in an operative and supervisory capacity.

The practicing dentists will undertake all preliminary and major operations at these new dental clinics, including examination of children, treatment and (cont. page 5, col. 2)

EDSON HEALTH UNIT Dental Plan

It is proposed to set up dental clinics within the Edson Health Unit during the summer months only, beginning in June.

The program is a preventive and not a treatment one. Services, therefore will be basically preventive, i.e., education, consultation, examination, advice and referral and topical fluoride application. Emergency treatment will only be provided on the decision of the dentist at the clinic.

Staffing of these clinics will be arranged through the Alberta Dental Association and the actual services provided by a dentist or roster of dentists from the Association.

This program will be directed at those children presently in Grade One. However, if time permits, those children who have registered or will register for Grade One this year will also be seen at the clinics.

When the number of children requiring this service has been arrived at the parents will be informed of the date and time and place of appointment with the dentist.

Parents of school children who are at present in Grade One and of children who have registered or will register for Grade One this year are requested to contact the Edson Health Unit if they wish this service for their children.

THIS IS A FREE SERVICE UNDER THE EDSON HEALTH UNIT.

Mr. and Mrs. Donald Nielsen.

Mr. Donald Robert Nielsen and Miss Alicia Bridget Kirkpatrick said their vows before the flower-decked altar of St. Anthony's Catholic Church, at three o'clock, the afternoon of May 14. The Rev. Fr. Scriven performed the double-ring ceremony. The bride was given in marriage by her father Mr. Pat Kirkpatrick.

The bride wore a gown of embroidered organza over white satin, with a sequin studded crown headpiece and shoulder length veil. For her bridal bouquet she had chosen pink roses and white carnations. Around her neck she wore a string of pearls, the gift of her brother.

The groom wore a gown of embroidered organza over white satin, with a sequin studded crown headpiece and shoulder length veil. For her bridal bouquet she had chosen pink roses and white carnations. Around her neck she wore a string of pearls, the gift of her brother.

Bridesmaids were the sister of the bride, Miss Maureen Kirkpatrick and the sister of the groom, Miss June Nielsen. Both were dressed in pink organza veils and carried bouquets of pink carnations.

Standing with the groom was Ray Marshall, of Rumsay, as best man. Ted Nielsen, brother of the groom, and Ted Honka acted as ushers.

Out of town guests included Mr. and Mrs. Kiti Nielsen, of Stettler, the groom's parents, an uncle and aunt of the groom, Mr. and Mrs. Dan O'Shea, of Stettler, and several cousins, Mr. Roger O'Shea, Mr. Niel O'Shea, Mrs. Murray Ralston, Mr. Harry Jacobs and Mrs. Ted Nielsen, all of Stettler.

In the reception dinner which followed the wedding, Mrs. Kirkpatrick, the bride's mother, and Mrs. Nielsen, the mother of the groom, graciously received.

Mrs. Kirkpatrick was dressed in grey sheath dress, trimmed with white, a pink carnation corsage and pink accessories. Mrs. Kirkpatrick was also dressed in a sheath dress, sea-grey in color, with pink corsage and pink accessories.

Following the reception in Ellis Community Hall the guests enjoyed dancing to the music of the Riviera Caravan.

When Ken Watt claimed he had been his low. After some discussion on the part of the directors of the club and the referee, the referee's decision, which had been given to Rump, on a T.K.O., was upheld and the decision went to the Edmonton boxer.

Awards were given at the close of the card. "Best Boxer" of the evening was awarded to Orvin Combs, "Best left hand" award was given to John Billingsley, "Best right hand" to Mervin Combs who was also awarded the title of "most aggressive boxer of the evening". Gary Mastru and Tumble Berg were given trophies for the best bout of the evening.

BOXING IN ELKS HALL (cont.)

The card featured seven bouts, with an Edmonton lad and a Drayton Valley boy up first. Tumble Berg, 98 lbs., of the King Edward Park Club and Gary Mastru, 96, of the local club, mixed it for the first opener. The judges gave the decision to the Drayton Valley boxer.

Bout number two saw two Edmonton Boxers in the ring. Charles Billingsley 52, of the South Side Legion Club and Victor Colman, 51, of the King Edward Park Club were matched and the judges decision was won by the Colman lad.

THE Editor's Viewpoint

With an unusually avid coverage by Edmonton's radio stations, with lurid blow-by-blow descriptions, a change in Drayton Valley's police force was effected in the wake of the tragic accident that marred last Sunday morning calm.

First reports indicated that Chief Constable A.L. Miles had been temporarily suspended. Following a council meeting on Monday afternoon he was re-instated and hard on the heels of that came the announcement of the resignation of Constables Adams and Chesterman, which is slated to become effective on May 31st.

Apparently both Constables Adams and Chesterman had been planning a change of occupation and the recent events merely brought matters to a head.

As citizens of Drayton Valley we will be sorry to lose both of these fine patrolmen and can hope that they will not carry out their proposed resignations.

However, if they do, perhaps Drayton Valley should consider hiring three more constables, instead of two so that we can have a full twenty-four hour patrol. We understand that Edson, no larger, no richer and certainly no livelier, has four men on her police force.

Certainly, the events did not justify the unusual coverage we got from the Edmonton radio stations.... It might also be interesting to know just who supplies them with all the details of the accident and the police--force events.

It also raises a question: How responsible would radio stations be if they gave out false or misleading information, because it

is certain they do not always check their news source before broadcasting it over the air.

If the radio stations wish to give free time over the air we can supply them with all kinds of worthwhile events.

CANADIAN COACHWAYS TO SERVE THIS AREA (cont.)

The idea of coming into the town from the east, but the idea was dropped temporarily, pending the finalizing of the purchase of the entire bus line system.

In the near future connections will be made with the eastern bus line, with a more direct route to Calgary and to eastern and south-eastern points on the other side of the Saskatchewan River. Bus service will also be provided to the Brazeau Dam site.

Canadian Coachways is a rapidly expanding bus system, wholly native, in that it is owned and operated within the province of Alberta. Purchases of other lines have increased the bus service from its original single bus which ran from Edmonton to Athabasca, until it now serves much of Alberta.

An oldtimer is a person who can recall when coffee breaks came with meals.

The picture on the right shows one of the award winners in the recent boxing card put on in Drayton Valley.

John Billingsley won his award for the best left hand. Shown with Johnny is Eldon Herbert, making the presentations and standing beside the lad is Drayton Valley club trainer Gordon Cross. Young Billingsley is from an Edmonton club.
